GIN PERFECT SERVES

All of our gin is crafted here in Hinckley, in 'Claire' our beautiful copper still which is set against the backdrop of the lovingly restored 19th century hosiery works that is the Bond St Distillery. Our Gin is served as a double as standard for better value and taste served in a balloon glass full of ice.

BOND STREET SIGNATURE

40% ABV

Gin Guide 2020 Winner of Best Traditional Gin & London Dry Categories.

Our Signature Gin draws inspiration from traditional juniper led gins, our Signature gin is softened by subtle undertones of orange blossom with the refreshing notes of pink peppercorn underpinned by the traditional pine and citrus of a true London dry.

PERFECT SERVE

Served with Fever Tree Indian tonic or tonic of your choice, garnished with a slice of orange and a sprinkle of pink peppercorns.

BOND STREET RASPBERRY

BOND STREET NAVY STRENGTH

57.5% ABV

Our Bond Street Navy Strength gin starts its life in our still as our signature gin recipe, it is then blended to 57.5% abv rather than 40%. The higher abv brings the complex and vibrant combination of flavours in our recipe to the fore. Bold and yet incredibly smooth this is for the true gin aficionado. A real insight into the complexity that lies within each bottle of Bond Street gin.

PERFECT SERVE

Best enjoyed in a whiskey tumbler neat over ice, sipped and savoured to explore the many facets of this spirit.
